The Panhandle-Plains Historical Society has been a pioneer in the collection, preservation, and interpretation of historic Texas art. In addition to the *Dictionary of Texas Artists, 1800–1945*, the museum's efforts have included a series of groundbreaking exhibitions and educational programs for both children and adults. Preservation of the artistic heritage of Texas is an important part of the mission of the Society, which was founded in 1921.

The paper used in this book meets the minimum requirements of the American National Standard for Permanence of Paper for Printed Library Materials, Z39.48-1984. Binding materials have been chosen for durability.
