The 2018 CASETA Symposium and Texas Art Fair will take place at the Witte Museum in San Antonio, April 27 – 29, 2018

CASETA SYMPOSIUM SPONSORSHIP LEVELS

CASETA's annual symposium provides a comprehensive Texas art history forum for a wide ranging audience. Participants include everyone from collectors, dealers and art enthusiasts to teachers, curators, museum directors and scholars. A unique feature of our annual event is the Texas Art Fair which provides a convenient way for our attendees to purchase early Texas art from leading dealers brought together from across the state.

Please help us make this a successful symposium. This event is our primary means for raising the funds we need to carry out our educational mission. All sponsors will be recognized at our Symposium by level of contribution, in all printed material and signage related to the symposium and on CASETA's website.

Sponsor Levels

All sponsors will be recognized at our Symposium by level of contribution, in all printed material and signage related to the symposium and on CASETA's website.
